# Plant Bingo !

The Lewis and Clark Expedition members saw many different kinds of plants, and they wrote about them in their journals. What plants do you see in the park? When you see one, circle the plant. You can draw a plant you see along the trail in the last box. See if you can find four in a row, across, down, or diagonally.

<b>Sitka Spruce</b> 	<b>Evergreen Huckleberry</b> 	<b>Deer Fern</b> 	<b>Salal</b> 
<b>Vine Maple</b> 	<b>Western Hemlock</b> 	<b>Red Huckleberry</b> 	<b>Red Alder</b> 
<b>Seaside Lupine</b> 	<b>Thimbleberry</b> 	<b>Western Redcedar</b> 	<b>Salmonberry</b> 
<b>Nookta Rose</b> 	<b>Douglas Fir</b> 	<b>Sword Fern</b> 	<b>Draw a plant</b>
